Celebration of 80 Years

EIGHT DECADES OF LEARNING, GROWTH, & TRIUMPHS

With an illustrious history spanning eight decades, Modern Builders Supply (MBS) stands as a cornerstone in the building materials industry. Since our inception in 1944, we've evolved into a leading distributor across Ohio, Indiana, Michigan, Pennsylvania, and West Virginia, boasting 26 branches and 25 design centers.

Our commitment to excellence and innovation has enabled us to navigate changing landscapes while maintaining a steadfast dedication to customer satisfaction.

As we celebrate 80 years in business, we extend heartfelt gratitude to our loyal customers, dedicated employees, and supportive community. Together, we look forward to continuing our legacy of excellence, growth, and service for generations to come.

EMPLOYEE SPOTLIGHT

John Mann

As we celebrate a remarkable 80 years in business, we're honored to shine a light on one of our **dedicated** team members who has been an integral part of our journey since the early years - **John Mann**.

Throughout his tenure with MBS, John has **exemplified** our **commitment** to providing customers with **the best service possible**. With each passing year, he's embraced new milestones and embarked on further adventures, **embodying the spirit of growth and adaptability**.

John's career at MBS is a true testament to his unwavering dedication and versatility. Beginning his journey in **1979** in our awning shop, John crafted awnings and shutters and oversaw spouting production. Then in 1984, he transitioned to our warehouse, where he assisted customers and skillfully operated the crane truck. From 1994-1999, he stepped into the office as a purchasing agent.

Over time he rose through the ranks and assumed the role of Branch Manager, demonstrating leadership and operational excellence. Then in 2005, he **spearheaded** the **opening** of a **new branch in Cambridge**, later relocating to Norwich.

Today, he is currently based in Canton, Ohio where he continues to play a **pivotal role** in fostering branch **growth** and driving **success**.

John's dedication, work ethic, and passion for excellence serve as an inspiration to us all. His journey embodies the essence of MBS - resilience, growth, and unwavering commitment to customer satisfaction.

Thank you, John, for your outstanding contributions to Modern Builders Supply. Here's to many more years of success and achievement!

Navigating the Future

BRINGING THE OUTSIDE, IN.

One trend that continues to gain momentum in the realm of interiors is biophilic design. This style aims to incorporate natural elements into interior spaces to enhance well-being and productivity. From the use of natural materials like wood and stone to greenery and natural light, biophilic design seeks to create environments that promote harmony between humans and nature.

SUSTAINABLE BRILLIANCE

Voted Most Efficient in 2024 by Energy Star, the Polaris Window “Thermal Weld Plus” collection is a sustainable choice for eco-conscious homeowners. Crafted with EnergySMART® Glass, this upgrade uses Low-E coating which reduces damaging ultra-violet light and temperature transmission. Enjoy comfort, durability, and a greener footprint with Polaris—where sustainability meets superior performance.
